-------------------------------------------------------------------------	--------

UNIONS AND COLLECTIVE BARGAINING

American Society of Hospital Pharmacists stakes out role in members' "economic welfare"	My 38
1199 starts organizing drive in Pittsburgh. S. Lowman	F 99
Honesty is key to coexistence with union. J. B. Wollenberger	F 102
Hospital won't oppose new "right to organize" bill; union ends strike	Ap 36
Let employees vote on unionization, 1199 official tells administrators	My 42
Pharmacists debate effectiveness, suitability of collective bargaining	Ja 35
Rulings undermine charitable immunity, uphold rights of employees and minors. J. F. Horty	Ap 60
St. Vincent nurses approve new pact	F 46
Season of their discontent: Unions press several organizing drives	F 36C
Union pickets shared laundry	Ja 35
Unions compete for workers at Duke. S. Fisher	Je 106
Voluntary league says union demands would push up charges \$40	Je 30

Vote on union follows five-day strike	Mr 52
---------------------------------------	-------

VALLAS, ALEX J. Capital equipment purchase should not be exception to the rules	Ap 64
Materials manager: he buys, stores and standardizes	My 71
Measure quality, price and service to judge value and select supplies	Je 68
Organized value analysis means better purchasing	F 66
Standards for judging disposables include labor savings, improved care	Mr 74
Veterans administration hospitals: V.A. refutes critical magazine article	Je 36B
VOLUNTARY HOSPITALS	
M.D. sees "fight to death" between voluntary and for-profit hospitals (RO)	F 48
What efficiency have we got in mind? (Ed)	My 77

Waste disposal; Los Angeles hospitals can't dispose of all their disposables	Mr 54
------------------------------------------------------------------------------	-------

WEED, LAWRENCE L., M.D. Technology is a link, not a barrier, for doctor and patient	F 80
WOLLENBERGER, JOSEPH B. Honesty is key to coexistence with union	F 102

JULY TO DECEMBER, INCLUSIVE

1970

MODERN HOSPITAL
CHICAGO
1970

INDEX TO VOLUME 115

JULY TO DECEMBER, INCLUSIVE

1970

Articles are indexed under subject and author. Abbreviations used are: JI, July; Ag, August; S, September; O, October; N, November; D, December; Ed., editorial; HOM, hospital of the month; jt auth, joint author; RO, reader opinion.

Accounting; Hospital cash complaint: Payers have money but they keep it in the bankAg 102

ACCREDITATION

Boston City wins one-year accreditationJI 36

Consumer groups tell J.C.A.H. to consult with patients, employeesJI 29

ACKERMAN, S. B. "No fault" insurance could relieve malpractice pressureS 112

ADMINISTRATION

Heart transplant: The whole world watches. H. C. Reinhard Jr.JI 72

I. T. departments flourish — but not without pain, problemsN 77

Report tells how inhalation therapy got to be "fastest growing" hospital specialty. W. J. Monagle and E. L. CassaraN 74

Supplies-on-wheels boost income, cut pilferageS 107

Administrators; Management council is channel for feedback from employees. F. B. Winn Jr.S 70

ADMITTING AND DISCHARGE

This hospital sends its postoperative patients home—the sooner, the betterAg 118

Two M.D. generations try to solve patient admissions problems. A. J. J. Rourke, M.D.S 120

Advertising; Doctors call hospital letter "solicitation" for abortionsO 43

Air conditioning; Plastic lining solves rusty duct problem cheaply. S. A. SpragueS 136

AMBULANCE SERVICE

Establish registry of ambulance techniciansJI 52

Pediatric I.C.U. rolls alongAg 112

Schedule evaluation of helicopters in medical emergenciesS 35

AMERICAN HOSPITAL ASSOCIATION

More staff, bigger program for A.H.A. Washington office to result from dues increaseO 29

Welfare rights group indicts A.H.A., lists 15 demandsO 30

AMERICAN MEDICAL ASSOCIATION

A.M.A. hears critics, softens abortion stand, calls for review of M.D. trainingJI 33

A.M.A.: No revolt over abortion standS 35

Anesthesia dept.; How to decontaminate anesthesia circuits. F. GinsbergD 88

Aseptic technique. See Surgery dept.

AUTOMATION

Carts make their own movesAg 41

Do not fold, bend or mutilate this patientAg 80

Electronic guardian watches hospital's mechanical systems. G. CobbO 130

Problem-oriented record begins with patient. J. R. Krismer and J. F. Cordes, M.D.N 81

Small digital computer monitors I.C.U. patients. R. L. NailenN 83

Straight from the computer's mouth: 33,000 low-cost, balanced meals. R. RaskinD 102

BARTON, CONSTANCE C. P.R. communicates two ways: inside-out, outside-inJI 58

BERKE, MARK. Looking backward: health care in 70sS 83

BLOOD AND PLASMA BANKS

Hepatitis ruling may alter hospital's transfusion role. J. F. HortyD 48

Predict higher patient charges if blood is treated as productN 34

Product liability extended to blood by Illinois courtO 41

BLUE CROSS

Hart committee subpoenas Blue Cross recordsAg 36

Incentive led to ECG at half previous costAg 105

Massachusetts Blue Cross has gun at head; hospitals get \$5 million moreAg 104

New reimbursement pact for W. Va. hospitals. Blue CrossO 39

BONNEM, SHIRLEY. Doctors tell hospital's story best — if they willS 58

BOWLES, GROVER C. Jr. Here are ways to get rid of unused drugsO 116

Medication order should name drug, not formulaS 132

More pharmacists joining hospitals for more moneyAg 132

N.A.S.-N.R.C. reports efficacy of drugs released before 1962JI 108

Pharmacist-M.D. collaboration needed for drug-IV mixturesD 98

Unit-of-use packaging is shape of futureN 118

BRAZDA, JEROME F. Medical societies may get Medicare review authorityO 31

"Must spend" requirement forced H-B veto and President's chagrinJI 36

New chief Elliot Richardson doesn't mean new health policyJI 35

New names on old committees in new CongressD 31

R.M.P., C.H.P. win extensions, some expansionN 31

Suddenly White House is interested in healthS 31

BRENNAN, W. J. Lobbying may be useful, needed — if you know how and do it rightO 66

BROWN, BERNARD L. Jr. Hospital disaster plan meets 40 hour test during racial riotingO 85

CABOT, ELAINE E. Attention dietitians: Those numbers you feed are peopleN 120

From pellet to palate at Policlinica MiramarAg 142

How to cook meat without losing its taste, tenderness or weightJI 120

Labor turnover stems from poor guidance, petty gripesO 122

Modern food delivery systems are closing temperature gapS 140

Cardiac hospitals and depts.; Heart transplant: The whole world watches. H. C. Reinhard Jr.JI 72

Careers in the hospital; Old policemen don't fade away; they become R.N.sAg 136

CARLSON, RONALD and GINSBERG, FRANCES. How to store, maintain traction framesO 112

CASSARA, EVELYN L. jt auth See MONAGLE, WILLIAM J.

CENTRAL SERVICE DEPT.

C. S. by any other name would function as well. F. Ginsberg.N 112

Checklist shows how to avoid fire, accident in C.S. J. E. Christie and F. GinsbergJI 107

Choose packaging materials for these characteristics. F. GinsbergD 92

How to prepare, process and store sterile packs. J. E. Christie and F. GinsbergS 130

How to store, maintain traction frames. R. Carlson and F. GinsbergO 112

Supplies-on-wheels boost income, cut pilferageS 107

CHRISTIE, JEAN E. and GINSBERG, FRANCES. Checklist shows how to avoid fire, accident in C.S.JI 107

How to prepare, process and store sterile packsS 130

CIVIL RIGHTS

Awareness sessions teach hospital employees to recognize their biasesN 29

Hospital facing civil rights chargeS 54

COBB, GEORGE. Electronic guardian watches hospital's mechanical systemsO 130

COMMUNICATION SYSTEMS

Phones that don't ring (RO)JI 56

These patients tell TV tube where it hurtsN 85

CONNORS, EDWARD J. jt auth See SPENCER, DAVID S.

CONSTRUCTION

Do-it-ourselves renovation saves \$42,000N 132

Forecast sharp rise in hospital constructionN 52

How to keep control of construction costs: Make plans, set budget, build quickly. F. C. WoodS 104

Items that work together should be bought together. J. L. RyanN 68

CONTRACT PURCHASE

Hospital cash complaint: Payers have money but they keep it in the bankAg 102

Illinois hospitals get public aid paymentsAg 39

Incentive led to ECG at half previous costAg 105

Massachusetts Blue Cross has gun at head; hospitals get \$5 million moreAg 104

New reimbursement pact for W. Va. hospitals. Blue CrossO 39

CORDES, JEROME F., M.D. jt auth See KRISMER, JOHN R.

Cost of medical care; S.S.A. survey shows one third of doctors raised fees in 1969S 178

COSTS

- How to keep control of construction costs: Make plans, set budget, build quickly. F. C. WoodS 104
With all its problems, this system may be the best. R. L. JohnsonJl 79

COUNTY HOSPITALS

- Cook County starts new life under new commissionAg 39
Federal aid puts hospital under federal jurisdiction in staff privilege suit. J. F. HorthyS 62

DIETARY DEPT.

- Attention dietitians: Those numbers you feed are people. E. E. CabotN 120
From pellet to palate at Policlinica Miramar. E. E. CabotAg 142
How to cook meat without losing its taste, tenderness or weight. E. E. CabotJl 120
Labor turnover stems from poor guidance, petty gripes. E. E. CabotO 122
Modern food delivery systems are closing temperature gap. E. E. CabotS 140
Straight from the computer's mouth: 33,000 low-cost, balanced meals. R. RaskinD 102

DISASTER SERVICE

- Hospital disaster plan meets 40 hour test during racial rioting. B. L. Brown Jr.O 85
Phones that don't ring (RO)Jl 56
Texas hospitals shake off hurricane's effectsS 33

DISPOSABLE GOODS

- Disposal methods inadequate for disposables, N.S.F. toldN 30
Don't throw baby out with cribAg 112
Use of disposables will keep growing, report saysAg 52

DRUGS

- Here are ways to get rid of unused drugs. G. C. Bowles Jr.O 116
Medication order should name drug, not formula. G. C. Bowles Jr.S 132
N.A.S.-N.R.C. reports efficacy of drugs released before 1962. G. C. Bowles Jr.Jl 108
Pharmacist-M.D. collaboration needed for drug-IV mixtures. G. C. Bowles Jr.D 98
Unit-of-use packaging is shape of future. G. C. Bowles Jr.N 118

- DRUMM, RUSSELL M. One way to give doctors recognition: Like everybody else, let them payO 62

- Electric wiring and lighting: Old codes are barriers to new electrical safety methods. D. LubinJl 128
Emergency care: These patients tell TV tube where it hurtsN 85

EMERGENCY HOSPITALS AND DEPTS.

- Chicago hospitals seek ways to end attacks on emergency room personnelS 29
E. R. "errors" raise toll of accident victims, A.C.S. toldN 33
Engineering dept.: Electronic guardian watches hospital's mechanical systems. G. CobbO 130

EQUIPMENT

- Control board system speeds patients' processing time. D. A. Kane and M. O'TooleO 70
Don't throw baby out with cribAg 112
Hospital has role in devices regulation, federal official saysN 34
How to store, maintain traction frames. R. Carlson and F. GinsbergO 112
Incentive led to ECG at half previous costAg 105
Items that work together should be bought together. J. L. RyanN 68
Modern food delivery systems are closing temperature gap. E. E. CabotS 140
Pre-marketing certification of medical devices recommendedO 38
Writing on wall simplifies patient care. M. OvermyerS 115
ERICKSON, STANFORD. Infant I.C.U.s save lives — but too many units may add cost, hamper growthO 80

Expansion. See Planning

- Films: Staff develops in-service programs to teach itself. C. A. Lindeman and A. B. Van AernamO 98

FIRE PREVENTION AND CONTROL

- Checklist shows how to avoid fire, accident in C.S. J. E. Christie and F. GinsbergJl 107
S.S.A. proposes new carpet flammability standardsO 52
Floors: S.S.A. proposes new carpet flammability standardsO 52
FOSTER, ROSALYN. Here's how in-service education worksO 95
Foundations: New tax law will force foundations to give more, maybe to hospitals. J. PanasD 54
Fuel: New all-electric hospital serves new community (HOM)Jl 76

- Gifts: New tax law will force foundations to give more, maybe to hospitals. J. PanasD 54

- GINSBERG, FRANCES. Care in catheterization can prevent gram-negative urinary infectionN 106

- C.S. by any other name would function as wellN 112
Choose packaging materials for these characteristicsD 92

- How to decontaminate anesthesia circuitsD 88
How to make the switch from gauze to high filtration masksS 124

- Inhalation therapy equipment may be reservoir for gram-negative bacteriaO 108
Methods for testing surgical masks have limitationsJl 100

- Sterilization improved by new monitoring, aeration systemsAg 124
Also it auth See CHRISTIE, JEAN E. and CARLSON, RONALD

- Government hospitals: Council of Urban Health Providers will promote needs of public hospitalsJl 32

- Grants-in-aid: "Must spend" requirement forced H-B veto and President's chagrin. J. F. BrazdaJl 36

- GROUP PRACTICE
California unions propose their own prepaid group planAg 105

- Kaiser's view of the H.M.O. conceptAg 107
Kinds of group practices outlined by professorN 44

- Medical school provides group practice for planned city. A. J. J. Rourke, M.D.Ag 120
O.E.O. officials: Clinics could become H.M.O.sS 34

- Who is it that prevents prevention? (Ed)D 61

HEALTH CARE DELIVERY

- A.H.A. committee proposes Ameriplan, new system of health care for U.S.D 29
How do we know who's in charge? (Ed)Ag 60

- States must bring public, private sectors togetherS 92
Survey shows how doctors, nurses, hospitals agree and disagree on health care issues, outlook. C. H. RussellN 88

- With all its problems, this system may be the best. R. L. JohnsonJl 79

- HEALTH CENTERS
Administrator says report made staff uncomfortable (RO)O 60

- City people help themselvesAg 69
Newark starts family careAg 73

- O.E.O. officials: Clinics could become H.M.O.sS 34

- HEALTH INSURANCE
California unions propose their own prepaid group planAg 105

- Kaiser's view of the H.M.O. conceptAg 107
Medical school provides group practice for planned city. A. J. J. Rourke, M.D.Ag 120

- Health programs, foreign: Study of care in Sweden, England, shows: Hospital is core of system. A. R. SomersS 87

- HORTHY, JOHN F. Anti-abortion statute defies Constitution, court rulesAg 48
Federal aid puts hospital under federal jurisdiction in staff privilege suitS 62

- Hepatitis ruling may alter hospital's transfusion roleD 48
Hospital hearings must be fair, but they needn't be formalN 56

- Hospital must specify criteria for medical staff membershipO 88
Plaintiff wins right to examine hospital's internal working papersAg 48

- Recent court cases deal with rules, standards, information dutiesJl 62

- HOSPITAL AND HEALTH FACILITIES
Does Chinatown need a new hospital? Agencies, no; community, yesAg 97

- This hospital sends its postoperative patients home—the sooner the betterAg 118

- HOSPITALS
Boston City: Build now, finish plans laterAg 101

- Boston City wins one year accreditationJl 36
California planning law upheld, maybe; new hearing slatedN 33

- Constitutionality of planning law challenged in CaliforniaO 44
Consumer groups tell J.C.A.H. to consult with patients, employeesJl 29

- Does Chinatown need a new hospital? Agencies, no; community, yesAg 97

- Hospital built for nurses works well for everyone (HOM)N 94
Mt. Sinai builds on its decision to stay putD 76

- New, all-electric hospital serves new community (HOM)Jl 76
Patient rooms are the angle at Centinela Valley (HOM)D 78

- State regulation of hospitalsD 62
State regulation of Washington hospitals proposed by councilS 30

- Two Texas hospitals drop MedicareJl 35
Housekeeping dept.: Three departments cooperate to decontaminate linenAg 148

- HUMAN RELATIONS
Awareness sessions teach hospital employees to recognize their biasesN 29

- Management council is channel for feedback from employees. F. B. Winn Jr.S 70

- Improvement of patient care: These services need repair: E.R., anesthesia, admissions, autopsy. A. J. J. Rourke, M.D.D 86

- INCOME FOR HOSPITAL SERVICES
Hospital cash complaint: Payers have money but they keep it in the bankAg 102

- Illinois hospitals get public aid paymentsAg 39
Incentive led to ECG at half previous costAg 105

- Massachusetts Blue Cross has gun at head; hospitals get \$5 million moreAg 104
New reimbursement pact for W. Va. hospitals, Blue CrossO 39

- INDIGENT CARE
Task force proposes minimum federal health benefits for 40 million poor and near-poorJl 90

- Welfare rights group indicts A.H.A., lists 15 demandsO 30

- INFECTION CONTROL
Infection committee needs plan of action: Here's one that works. P. McHughJl 92

- Infection control depends on flow of new ideas, productsAg 130

- INHALATION THERAPY
I.T. departments flourish—but not without pain, problemsN 77

- Inhalation therapy equipment may be reservoir for gram-negative bacteria. F. GinsbergO 108

- Report tells how "fastest growing" hospital specialty got that way. W. J. Monagle and E. L. CassaraN 74

- In-service training. See Nursing education; Personnel administration

- Insurance: "No fault" insurance could relieve malpractice pressure. S. B. AckermanS 112

INTENSIVE CARE

- Infant I.C.U.s save lives—but too many units may add cost, hamper growth. S. EricksonO 80
 Pediatric I.C.U. rolls alongAg 112
 Small digital computer monitors I.C.U. patients. R. L. NailenN 83
 Interns and residents: House staff writes orders, attending staff suesD 34
 Inventories: Inventory control: watch on space, time, money, goods. A. J. VallasJl 66

- JOHNSON, RICHARD L. With all its problems, this system may be the bestJl 79
 Joint Commission on Accreditation of Hospitals: Consumer groups tell J.C.A.H. to consult with patients, employeesJl 29
 JONES, EARL E. Value engineering: Discuss, try, then decide what to buyS 101

- KANE, DANIEL A. and O'TOOLE, MARION. Control board system speeds patients' processing timeO 70
 KRISMER, JOHN R. and CORDES, JEROME F., M.D. Problem-oriented record begins with patientN 81

- Laboratories, clinical: Incentive led to ECG at half previous costAg 105
 Laws and legislation: Lobbying may be useful, needed — if you know how and do it right. W. J. BrennanO 66
 Liability: "No fault" insurance could relieve malpractice pressure. S. B. AckermanS 112

LICENSURE

- California planning law upheld, maybe; new hearing slatedN 33
 Constitutionality of planning law challenged in CaliforniaO 44
 State regulation of hospitalsD 62
 State regulation of Washington hospitals proposed by councilS 30

- LINDEMAN, CAROL A. and VAN AERNAM, A. BETTY. Staff develops in-service programs to teach itselfO 98

- LIPPER, CAROL. Good signs can help control visitor, staff trafficJl 83

- LUBIN, DAVID. Old codes are barriers to new electrical safety methodsJl 128

- MARKSTEIN, DAVID L. Wage-price restraints would affect the economy—but in what way?Jl 112

- McHUGH, PAULINE. Infection committee needs plan of action: Here's one that worksJl 92

MEDICAID

- Medicaid auditors find overpayments to Maryland nursing homesS 50
 Propose changing Medicaid into health insurance planJl 32
 Propose conversion of Medi-Cal into private insuranceN 46
 Release five Medicaid auditsS 48

MEDICAL AUDIT

- Peer review: new look in medical accountability. A. J. J. Rourke, M.D. N 114
 Plaintiff wins right to examine hospital's internal working papers. J. F. HorthyAg 48

MEDICAL EDUCATION

- Money crisis, manpower needs worry medical schoolsD 35
 What makes students restless may be quality of their education (Ed)S 80

MEDICAL RECORDS DEPT.

- House staff writes orders, attending staff suesD 34
 Plaintiff wins right to examine hospital's internal working papers. J. F. HorthyAg 48
 Problem-oriented record begins with patient. J. R. Krismer and J. F. Cordes, M.D.N 81
 Problem-oriented records aid doctors (Ed)O 79
 Recent court cases deal with rules, standards, information duties. J. F. HorthyJl 62

MEDICAL STAFF

- Doctors tell hospital's story best — if they will. S. BonnemS 58
 Federal aid puts hospital under federal jurisdiction in staff privilege suit. J. F. HorthyS 62
 Hospital facing civil rights chargeS 54
 Hospital hearings must be fair, but they needn't be formal. J. F. HorthyN 56
 Hospital must specify criteria for medical staff membership. J. F. HorthyO 88
 Method might not work — but it hasn't been tried (Ed)N 73
 One way to give doctors recognition: Like everybody else, let them pay. R. M. DrummO 62
 "Quiet issue" of what hospitals pay pathologists is getting noisier (correction)Jl 36
 To get doctors into act, take them out of hospital. A. J. J. Rourke, M.D.O 106

MEDICARE

- Kaiser's view of the H.M.O. conceptAg 107
 Propose conversion of Medi-Cal into private insuranceN 46
 Two Texas hospitals drop MedicareJl 35
 Who is it that prevents prevention? (Ed)D 61

MEDICO-MORAL PROBLEMS

- A.M.A.: No revolt over abortion standS 35
 Anti-abortion statute defies Constitution, court rules. J. F. HorthyAg 48
 Doctors call hospital letter "solicitation" for abortionsO 43
 First neighborhood abortion clinic opens in New York CityO 43
 Hospitals report 2,000 abortions in first week under new N.Y. lawAg 33
 Kansas abortion law changedS 35
 Latest tally confirms projected rate of abortions in New YorkS 36
 Military hospitals: Report to military: 16,000 points in planning hospitalO 42
 MONAGLE, WILLIAM J. and CAS-SARA, EVELYN L. Report tells how inhalation therapy got to be "fastest growing" hospital specialtyN 74

MUNICIPAL HOSPITALS

- Boston City: Build now, finish plans laterAg 101
 Boston City wins one-year accreditationJl 36

- NAILEN, R. L. Small digital computer monitors I.C.U. patientsN 83

NATIONAL HEALTH SERVICE (BRITISH)

- Private plans now cover 2 million in BritainAg 79
 Study of care in Sweden, England shows: Hospital is core of system. A. R. SomersS 87
 Nurseries: Don't throw baby out with cribAg 112
 Nurses, Old policemen don't fade away; they become R.N.sAg 136

NURSING EDUCATION

- Diploma schools seek more students, improved curriculumD 35
 Here's how in-service education works. R. FosterO 95
 Most promising manpower resource is manpower that's already thereO 90
 Staff develops in-service programs to teach itself. C. A. Lindeman and A. B. Van AernamO 98
 Nursing homes: Affection for nursing home patients may conceal hostilityN 46

NURSING SERVICE DEPT.

- Patient rooms are the angle at Centinela Valley (HOM)D 78
 Rotation of duties cuts nursing staff turnoverAg 136
 Writing on wall simplifies patient care. M. OvermyerS 115

- NYLAND, VERDELL. Press code lets media know what hospital can tellD 46

- Obstetric hospitals and depts.: Recent court cases deal with rules, standards, information duties. J. F. HorthyJl 62
 Orthopedic hospitals and depts.: How to store, maintain traction frames. R. Carlson and F. GinsbergO 112

- Osteopathic hospitals: Osteopaths fight planning agency's decision on expansionS 32

- O'TOOLE, MARION. Jt auth see KANE, DANIEL A.

- Outpatient dept.; Ambulatory center set to openAg 100
 OVERMYER, MARTHA. Writing on wall simplifies patient careS 115

- PANAS, JEROLD. New tax law will force foundations to give more, maybe to hospitalsD 54
 Paramedical personnel: New California laws expand functions of paramedicsO 40

- Patient relations: Hospitalization should be educational, researcher saysS 36

PEDIATRIC CARE

- CATCH works, but more money is neededJl 88
 Infant I.C.U.s save lives — but too many units may add cost, hamper growth. S. EricksonO 80
 Pediatric I.C.U. rolls alongAg 112

PERSONNEL ADMINISTRATION

- All wages went up in 60s but hospitals' went up mostAg 56
 Avert New York hospital strikeAg 38
 Chicago hospital has two labor problemsS 32
